HON'BLE SHRI JUSTICE NOOTY RAMAMOHANA RAO

W.P. No.12134 of 1996

This writ petition has been instituted by the management of the A.P.S.R.T.C. calling in question the correctness of the Award passed by the Labour Court in Industrial Dispute No.15 of 1996 which was in fact instituted by the first respondent raising the Dispute about the orders of removal passed against him. The Award of the Labour Court is to the effect that the order of removal passed against the first respondent in the writ petition has been set aside and the workman was directed to be reinstated with continuity of service and he was denied the back wages for the period of his absence from service pursuant to the orders of removal passed against him. Subsequent to the passing of the Award, it is represented that the first respondent workman has been reinstated back into service, but during the pendency of this writ petition, he died on 19.3.2007. Unfortunately, no steps have been taken for bringing on record the legal representatives of the deceased – first respondent workman, in whose absence, the cause in the writ petition does not survive for adjudication.

In this view of the matter, the writ petition is dismissed, but however, without costs.
